

Robert Barber, CCIM is the Managing Principal of Accelerated Real Estate Services, LLC, the fastest growing real estate auction company in Florida.

Robert received his Bachelors degree in Electrical Engineering from the University of Central Florida and also holds a Masters in Business Administration.

Robert's professional career began in Electrical Engineering managing multi-million dollar construction projects. From there he served as part of a Fortune 150 leadership team as Director of Human Resources managing a national team with responsibility for over 1300 employees in 26 states. Taking those corporate skills, he started Accelerated Real Estate Service to meet the demands and changes in the commercial and residential markets. Robert currently specializes in real estate auctions and distressed asset management.

Robert has been featured in both local and national publications such as CIRE. He has worked with companies such as Fifth Third Bank, Synovus, Rottlund Homes, Bank of America Community Development, Whitney Bank, and many other firms/clients, both large and small.

Robert has also served as the President for the CCIM West Coast Florida District and holds a Board seat on the National CCIM Networking Advisory Board. In addition to, he is an executive committee member for Real Estate Lives, a nonprofit organization whose mission is to assist real estate professionals displaced during this challenging market.

### **Accelerated Real Estate Services**

Accelerated Real Estate Services is a real estate marketing company with preferred real estate partners across the country. With over 60 years of real estate experience as the foundation we have developed a model deployed by some of the best real estate professionals in the industry. Real Estate will always be a localized profession. A true professional must be in the market everyday to best serve the Buyers and the Sellers. By leveraging the latest technology, adhering to a strict model, and executing a tested process for marketing properties in an accelerated manner, that local expertise is armed with tremendous tools to serve both the seller and buyer in today's market.
