

Jonathan Daniel is the principal and founder of Silo Financial Corp. and affiliated companies. As a 15-year veteran to the real estate finance industry, Mr. Daniel has closed in excess of \$500,000,000 in transaction volume. Silo Financial is a private real estate investment company that provides a broad range of specialty capital, including bridge mortgages, mezzanine loans, preferred equity and other structured debt and equity products. Since its formation in 2001, Silo has earned an exceptional reputation for structuring and funding complex loan transactions to meet special situation, time critical and other "out of the box" financing requirements. Mr. Daniel is a 1994 graduate of Syracuse University where he earned a Bachelor of Science in Finance.

Silo Financial

Silo Financial is a private real estate investment company that provides a broad range of specialty capital, including bridge mortgages, mezzanine loans, preferred equity and other structured debt and equity products. We specialize in flexible solutions to meet capital needs not typically accommodated by banks or traditional institutions.
